## EVENTS

**Art Box Experience: A Space Where Imagination Meets Cutting-Edge Technology. Located in the iconic Norblin Factory in Warsaw's Wola district, Art Box Experience offers a venue and presentation technologies as limitless as human imagination.**

### SIZE AND FLEXIBILITY

Art Box Experience spans 800 square meters divided into 9 unique rooms, which can be configured to suit a variety of events and production scenarios. This flexibility allows organizers to tailor the space precisely to their needs.

### SUPERIOR VISUAL QUALITY

With 11 mechanical screens and 56 Barco laser projectors, Art Box Experience delivers outstanding image quality, ensuring that presented content captivates and engages every participant.

### EXCEPTIONAL SOUND SYSTEM

Equipped with over 50 Bose speakers, the venue guarantees exceptional sound quality, offering attendees a fully immersive experience that combines stunning visuals with incredible audio.

### SPACE ADAPTABILITY

The layout can be freely modified and adapted for different scenography or content requirements. This makes the space suitable for any type of event, from concerts and exhibitions to corporate gatherings.

### UNIQUE AND MEMORABLE EXPERIENCES

By combining superior image and sound quality with adaptable spaces, Art Box Experience provides unforgettable experiences for event participants. It's the perfect venue for organizers aiming to create a one-of-a-kind atmosphere for their events.

### MODERNITY AND INNOVATION

As one of the most advanced and innovative venues in the events industry, Art Box Experience is an ideal choice for organizers seeking to impress their guests and deliver extraordinary events.
